

List of Courses for the D.N.M. Degree, 87 Credits

The courses preceded with NH teach the revolutionary concepts and techniques that God has revealed to Dr. Overman over his healing career. Dr. Overman suggests that you earn your M.N.P. degree first then add the courses from Christian Leadership University to finish your D.N.M. degree. The rest of the courses must be transferred from Christian Leadership University. These courses will teach students the spiritual principles that have made Dr. Overman so successful and have made him a leader in natural health research, revolutionary product development and practical healing techniques.
